## Noteworthy

### Missionary News

**Don & Shirley Hamilton's** summer newsletter tells of their plans for outreach in several regions and the progress of the Eagle Ridge building project. They continue to offer thanks to God for what He is able to do, and to wait on Him. Read their newsletter and pray for their many needs! Copies for you to take home can be found in the foyer.

**John & Claudia Cassells** are in the middle of packing for their move to Ontario. Pray for them as they begin their ministry for *Youth for Christ* in Ontario beginning in July. Information about continued support for them is included in their latest newsletter.

We have also received a letter from **John & Audrey Harder** outlining their recent ministry opportunities and memories of the past six months. John has included several items for prayer as well an informative bulletin about Cuba and their plans for a return trip in 2008.

Prayers about their upcoming trip to India and Thailand are requested from **Steve & Mathilda Smith**. They will be attending the South Asia Group conference as well as paying a visit to Mathilda's family in India, whom she has not seen in over eight years! Find out how you can pray for them as they prepare for this important trip.
